The wind blew steadily all day but it didn't stop the Windward family from gathering for the annual Independence Day celebration.

9:30AM Our children paraded the flag in. Harold Burdette led us in the Pledge of Allegiance.

Lilly Langley sang, "It's a Grand Ole Flag" which is now a tradition of it's own.

Richard Brinson handed out \$ 10.00 gift cards for Lillian's Pizza to the kids who could answer his July 4th related ques-

tions. (See page 2) . The races started and we found out how competitive our kids are. They had a blast. Medals and trophies were awarded. No one went away anything less than a "Winner". The men raced for a LARGE medal, and t-shirt. 402's Chifferado won the race. His strong dive put him ahead at the start. The Ladies did not have an entry this year. Where is an Ella East when you need her???

The children hula hooped and as usual, the Limbo contest was great fun. Eric and Allison Lang-

ley finished the children's activities with a foot race on the beach which everyone loved. Those graceful long legs of Alex Norris helped carry her first in her group. Bryce Speakman won his heat. Sorry if I missed someone. Everyone was a winner. Only one bumped head in the Quarter Dives so it was a successful day of events. At 6:00 PM Allison Langley was Hostess at the Bar B Q given by the Association. The food was good and the D. J. Lon Spencer was so much fun. THEN GREAT FIRE WORKS !!!!!!!!!!!!!

“The winds that blow through the wide sky in these mounts, the winds that sweep from Canada to Mexico, from the pacific to the Atlantic—have always blown on free men.”
Franklin D. Roosevelt

July 4th Quiz

I personally think Richard Brinson and Harold Burdette had as much fun as the kids did. The kids knew the answers because we always send them out the day before. This year, Richard had some questions of his own to ask and the kids were tested a little.

“This, then, is the state of the Union: Free and restless, growing and full of hope. So it was in the beginning. So it shall always be, while God is willing, and we are strong enough to keep the faith.”
Lyndon B. Johnson

It is love of country that has lighted and that keeps glowing the holy fire of patriotism.

As most of you know, lightning struck the southeast corner of Phase I July 5th at 9:30 AM. The energy from the strike disabled all 4 elevators, the fire and safety equipment and even the arm on the north property.

Today, July 18, the elevators are all repaired, the fire and security system is all repaired and work began Monday morning on repairing the corner of the building. Phoenix Coatings, the company that installed our handrails is doing the repair work.

The Office would like to thank every owner here for your cooperation and good spirits during the inconveniences. What a wonderful group of people we have at Windward. No one complained even when they had to trek up and down the steps with their pets.

Also a special prayer for Mr. & Mrs. Bill East. (Unit 609) Bill is Past President of our Association. Carol had a stroke and heart attack in 2012 and now Bill has had a stroke which has effected his ability to eat and swallow. He is in ICU at St. Vincent's in Birmingham and we send all our Prayers that he will improve quickly. No one loves the Windward Beach like Bill East.
